

Please read and sign this form.

In this usability evaluation:

- You will be asked to perform certain tasks on the Lotto app.
- You will be interviewed.
- You will be videotaped.
- You will be asked to fill in a questionnaire.

Participation in this usability study is voluntary. All information will remain strictly confidential. The descriptions and findings may be used to help improve the Lotto app. However, at no time will your name or any other identification be used. You can withdraw your consent to the experiment and stop participation at any time.

You will be videotaped whilst participating in this study. Please understand that the videotape is for research purposes only and that your name and image will not be used for any other purpose. The video recording will only be viewed by the Evaluator, their Lecturer and module examiners. If at any stage you wish to stop the video recording or have the video recording deleted please alert the Evaluator.

If you have any questions after today, please contact Leandro Iwai at leandroiwai@gmail.com or telephone: 087 667 0403

I have read and understood the information on this form and had all of my questions answered. I agree to participate in this research and be videotaped whilst doing so. I understand that I may withdraw at any time.
